

Rome, 2011

Dear partner,

I hope this email finds you and your family in great spirit!

Please, take the time to read it carefully and ask the Lord what you can do to personally support our mission to usher people from many nations into the kingdom of God!

With more than **30 reports issued in 2010**, I want to thank you for your prayers and partnership and encouragement that have made you and our team **an incredible channel of blessing!**

New churches have been opened in Italy and one in a city, BARBARANO, that never before has had an evangelical church in all of its history! The largest **evangelistic crusade** ever held in Italy: SOS Milan; the largest crusade ever held in Naples; **Countless numbers of leaders** trained through Equip ministry; and **Youth rallies and TV programs** on 70 stations throughout Italy.

More than **400,000 evangelistic DVDs** on the life of soccer star Ricardo Kaka' produced by Sondra and distributed during and after the Football world cup held in South Africa and to all of you our precious partners and we continue even sending to Indonesia and Brazil. We at IFC started this 2011 with a renewed excitement for all the great things we want to do in order to bring more souls to the saving knowledge of our Lord Jesus Christ!

I have been all over, preparing for a very full calendar in 2011. I started out this year in Malta bringing the gospel and the plan for reaching the leaders of today and tomorrow with the **EQUIP training**. Malta has a population of 413,000 an area 17 miles long by 9 miles wide and the evangelical church is less than 500! They are anxious to learn the EQUIP training from me. Pray that the Lord will use us mightily in this country. Our first session is planned for October 13-15.

This month I also met with 4 Equip leaders from Ruanda, Lebanon and the U.S. coming to our IFC office in Rome. We had strategic meetings for two days which could open up more potential areas to the training. This is such exciting news that from Italy we **will** reach the world!!!

The leader from Ruanda shared that he showed Kaka's video to a room full of professional 1st division soccer players in Ruanda and 17 accepted Jesus!

I am also planning a date in March to start the **School of Evangelism in Naples** for evangelists and pastors in and around the Naples area.

The leaders of Campus Crusade for Christ also came to meet with me and Sondra this month at our offices and showed us the film *Mary Magdalene*. It was very good! We have decided that we will show it at the enormous Easter event in Naples where we will have Hillsong United Kingdom coming down to help. Here is a link to see a bit of the excitement that is beginning to spread in Italy. From April 23-25 will be this big rally in Naples!!!! Go here to see the excitement is growing www.generazioneenzaconfini.com. We will also try to use these tools in other evangelistic events during the year.

Sondra has written Edinson Cavani's biography (a Christian soccer star) that will be distributed all over Italy by the largest ***Italian*** publishing house, Mondadori, the first week of March! Even the news is now says that "Cavani gives glory to his Spiritual Father" and that "Edinson is the model that the young should follow." And that the important thing is to glorify God and proclaim the Good News to everyone!

In ***Monaco*** we will be launching Equip as well and are planning to start in November 2011.

We will graduate the first level of **Equip in *Serbia*** with hundreds of leaders trained in the past 3 years. Graduation will be on March 18-19. We will also graduate the second **Level of Equip in *Rome Italy*** in June. Thousands of leaders trained in 6 years with many churches planted, new leaders developed and countless number of souls coming to salvation in Jesus!

I believe that God is **positioning all of us in order to manifest His glory as never before all over *the world***.

Will you continue to join us in prayers and support believing that God still has so much for us and our *European continent* also in 2011 and beyond?

In a time where it is hard to know where to invest, it is my strong belief that **we all must invest in Kingdom's values**. To make this easier for you if you prefer, this year we have added a giving/support tab on our website at www.italyforchrist.it. Please just click on the tab that reads "Donate/Support" and follow the prompts to our secure site. We hope that this will be an invaluable tool to make your monthly giving even easier.

Support Italy for Christ, **a ministry that multiplies your investments**.

Partnering with you,
